E te whānau o te kura, tēnā koutou katoa

Please remember if you need to contact the school for any reason our school office numbers are: 03 3843 073 and cell: 027 7755338. Please don't text asking us to call you back.

We have had a small group opt in to beginner Māori lessons. Any final people, please let me know. They will be run by me (Dallas) and I promise not to embarrass you (I'll probably embarrass myself though). Let me or the office know a.s.a.p.

We have an exciting week ahead. We have many new ipads in the junior classes as of today so Seesaw will be far more accessible now. ARE YOU LOGGED IN YET? Far better than scrolling through social media, scroll through some of your child's work and make some comments. Think how proud they will be with thoughtful and encouraging comments. Remember if you have a child in Rooms one or two, you might want to leave verbal comments rather than written ones. Although it may feel embarrassing, only the child will hear it and it saves them trying to read it. Give it a try!!

You don't have internet to look at their work? We want to help with that and so do Spark, with Spark Jump. Have a look at this amazing offer on the back and get easy, affordable internet.

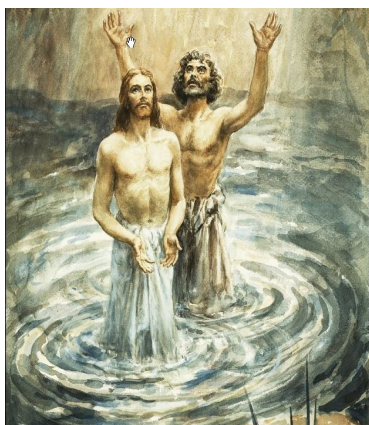

We have Digital Ignition coming tomorrow and over the coming week. Listen for how that goes! We are sure the students will be talking enthusiastically about this.

Assembly— First one on Friday@ 9am in the Mission Centre (Rm7). Feel free to come along and hear the certificate winners, GRIT winners and what the classes leading assembly have been up to.

MUST REMEMBER— Next **Tuesday, 26 June** school will finish at 1.15pm to allow NZEI members to attend a stop work meeting. This involves 95% of our staff. Please remember to **advise the school in writing by this Friday, 22 June**, if you cannot pick your child up by 1.30pm so we know the number of students requiring supervision by the remaining 5% of staff. Students **will not** be released from school before 1.15pm.

God Bless

On the 24th June we recall the Nativity (birth) of John the Baptist. John the Baptist is about 6 months older than Jesus, and he is the one who baptizes Jesus. John's father is Zacharias and his mother is Elizabeth. They were both faithful to God. John the Baptist is the Patron Saint of the Catholic Diocese of Christchurch.

**Easy Affordable Option
for families without
internet Access at Home
Home Internet
using wireless modem
No contract—No wires.**

The 20/20 Trust has partnered with Spark to offer a subsidised Spark Jump service to families with children who do not have access to the internet in their homes. Spark Jump is a very affordable pre-pay service; minimum cost is \$10 for a 30GB package that expires each month. Utilising the Skinny mobile platform there is no wires or set-up charges. You just need to be in a Spark 4G or 4G 700 coverage area. You can check your address at <https://www.spark.co.nz/shop/internet/wirelessbroadband>

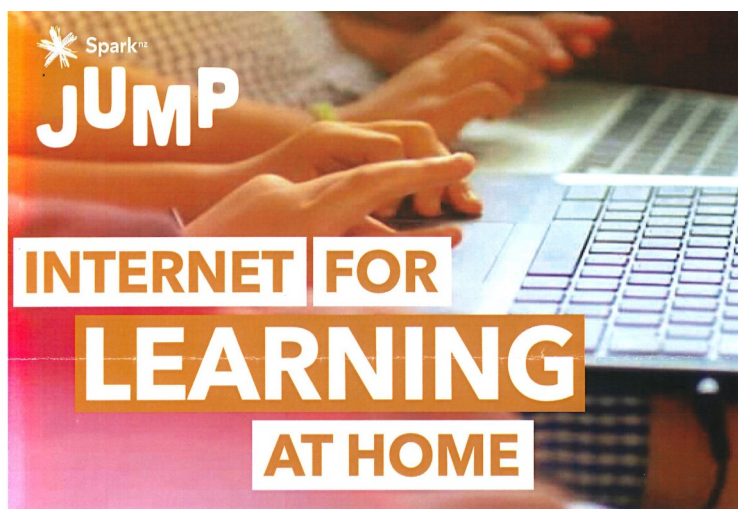

An advantage of Spark Jump, especially for families with limited financial resources, is that there's **no term contract** nor any credit check; families simply purchase a \$10 top-up voucher when they need more data. When families choose to move to a standard commercial service, they will need to return the wireless modem so that it can be reallocated to another family.

If you are interested in finding out more please contact your nearest provider:

Linwood Library in Eastgate Mall who are offering Spark Jump classes every Monday from 10am to 12noon contact the library on 03 941 7923 to book a class)

Addington.net on the first floor at 1 Penbury Street, Sydenham, also with foot access from 456 Colombo St, offers Spark Jump classes at a variety of different times And days (contact Greg Smith or Lynda Sawyers on 03 962 7244 for further details)

You can check out these and other locations as they are added by visiting the 20/20 Trust Digital Inclusion Map at : <https://digitalinclusion.nz/spark-jump/>

Spark Jump helps families with children under 18 get online at home. No landline, contract or credit check required.

3 easy steps:

1. Check the family address has 4G coverage at www.spark.co.nz/wirelessbroadband
2. Ensure the family has an active email address & they know their password
3. Register the family for a Spark Jump workshop with their nearest provider

Free Dental Care for Children

One of our Community Dental Service preventive mobiles will be visiting your school soon.

- We will be aiming to see that all school age children enrolled with the Community Dental Service have their dental check-up in the dental mobile while it is there.
- To do this we will be asking the school to provide your child's name, address and your contact information.
- The dental therapist will not only be checking the children's teeth but will also Xray, clean, and apply protective treatments fluoride and or Fissure sealants (coating put on teeth to prevent decay) if required.
- If your child requires further dental care such as fillings they will bring home a 'Care Plan' which will explain what dental care and appointment times are required
- When you receive the 'Care Plan' please contact our **Call Centre** as soon as possible as you will need to arrange a time to bring your child to one of our Community Clinics for this dental care
- Please let us know **ASAP** if you do not wish your child to have any of this care, you can talk to the staff in the mobile or phone/email our Call Centre
- If you wish to be present at your child's check up this will need to take place at our community clinic so please phone/email our **Call Centre** to make an appointment
- Please contact our Call Centre if you want further information on the Community Dental Service, to enrol your child or if you have any specific questions about your child's dental care (a dental therapist will call you back)

To contact our Call Centre: phone 0800 846 983 / email commndental@cdhb.health.nz

ALTAR SERVERS ST ANNE'S CHURCH

A very successful meeting was held last week with 25 servers present, many of them new to serving. Enrolment forms have been given to the new children, and I would appreciate it if they could be filled in and returned either to school, the post box at the church, or to the Parish office.

I will be at most Masses over the next few months to encourage and guide the new servers.

A meeting will be held every few weeks at school at 2.45pm, to ensure we all on the same page

A newsletter and roster will be sent to you all for next term.

Meanwhile attached is a roster till the end of this term.
