I am so thankful to be part of this school. I love that we can say 'love', do good works and be part of social justice. I love that families, teachers and students are all different but are all one. The staff and students work so hard to achieve what we do.

This year we have:

- ◆ Had more educational and experience based trips than any school I know.
- ◆ Senior ski trip.
- ◆ Studied the three charisms of the Mission Sisters.
- ◆ Participated in the 'streamside water quality' testing.
- ◆ Won the Koru games (South Island Championships) in Volleyball for the third time.
- ◆ Completed the Better Start Project
- ◆ Successful Kapahaka / Cultural Festival effort 80+ students (most on stage of any school I believe).
- ◆ Finished the Accelerating Learning in Literacy programme (ALL).
- ◆ Participated in Storytelling and Te Reo Māori Professional Development.
- ◆ Almost 1:1 ICT throughout the school and have completed two years training in this.
- ◆ Many staff have completed another paper towards the Religious Education Diploma.
- ◆ Had an amazing GRIT challenge.

The list goes on.

We also look forward to diving into the Arts next year. We have over 60 students wanting to learn an instrument and lots of plans for drama, dance and music. I am so excited. We have a lot of new students coming and things just keep getting better for us.

In the meantime though, have a blessed Christmas, a restful break (when it comes), and remember the reason for the season. God bless you all and thanks to everyone for their contribution to our school!!!!

# A Message from the Board of Trustees

It has been a great year and I am sure that you all have noticed the many improvements and changes that have been accomplished throughout the year. What an amazing school we are all lucky enough to have.

On behalf of the board I would like to thank our teachers for all the hard work they have done throughout the year. Your dedication, encouragement, and friendly spirit are what helps our kids' learning thrive.

Thank you to all the teacher aides for their help and support in bonding our learning team together. We are lucky to have your support in a lovely small school such as ours.

Thank you to Penny Cherry for all her help in organising our sports events, and running the parents and friends Facebook page for notices and the team for running our pie day Fridays etc which really help support our children's fun days and keep us all informed in this busy world ☺

Thank you to Father Dan, the sisters and the extended parish community for all your support to ensure we all keep in touch and further our teachings and love within the Catholic faith.

Thank you to all the board members who give their all to assist in overseeing the efficient running of the school functions. Your time and dedication is really appreciated.

A HUGE thanks to Shelley in the school office! You are a star 🌟 that drives the day to day support that we truly need and really appreciate! Thank you very much.

Thanks to all the kids, parents and guardians. You all make St Anne's Catholic School a lovely place to be and it is noticed in the wider community how friendly and nice you all are.

To the young gentleman and ladies that will be moving onto high school next year, we wish you all the best and know that you will always be a valued student of St Anne's. Stay proud of this fact and flourish with all the joys that await you in life. Kia kaha!

The board would especially like to acknowledge our principal Mr Wichman. Dallas, you are amazing to say the least. We are all truly blessed to have you as our principal. Your dedication far exceeds any expectations required. Who else would run around at lunch time to play sports with the children, who would jump into the pool to help with swimming lessons until they get all wrinkly and water logged? ☺ Your guidance on school camps, skiing trips, school refurbishment, computing, sports, – there are just so many things to mention of which you have managed to help elevate and accomplish for the kids and the community. We thank you for everything you do and for who you are. Can't wait to see what next year brings! Thank you.

To all, please take care over the summer holidays and stay safe if travelling. Enjoy yourselves and we'll see you back in the new year.

Best wishes

***Evan Taylor***
