THOUGHTS

Winter time is nature's way of resting us all, preparing us for the burst of spring. Next Saturday is mid-winter!

I know of people who have shifted to Christchurch because it is a place where you can really experience the four seasons. In terms of learning, it is to me, the time of the year where you have few distractions and really focused learning happens—it is the learning season.

Now, I am astonished at the number of children who arrive at school without jackets and also the number of children wearing flimsy black canvas shoes/slippers. These shoes are really bad for their feet—so I would ask you to buy your children good school shoes that will last longer and keep their feet dry.

There has been a headline story this week about bullying. At St Anne's, our message to the students is to encourage them to tell if they are being affected by any instances of bullying. All reported instances of bullying will be investigated and I will always contact parents/caregivers and advise them. I have an open door policy in which any students can share a concern.

Keep warm, enjoy the winter family time together.

Kind regards

Peter Callanan (Principal)

Junior Neighbourhood Support Leaders' Report

Last Friday Andrea Haberfield from Junior Neighbourhood Support came to our school to give out some awards accompanied by Kelvin from the New Zealand Fire Service. First Andrea took a quick look at the J.N.S display in the school foyer. She was stunned at the display to advertise J.N.S.

Then at assembly Kelvin, a fire-fighter, said a few words about where the ideal place to place your fire alarms and how to check that it works. After that Andrea gave out the awards to Sam, Harley and Jamal for cleaning the school P.E. shed and Finn got one for finding a wallet and handing it to the office. Last but not least, Zana got an award for raising money for the Solomon Islands flood. Some of the activities she did to raise money were, a bake sale with her mum at Riccarton market, walk from the city to New Brighton and attempted to break the world record at burpies.

Andrea is very impressed with our school. Finn and I would encourage you to look out for outstanding service to others and nominate students involved - next term.

Railynnetta Ilaio and Finn Mounty
(JNS Leaders 2014)
